*Attached memo
D/Pear memo
of 11 Feb 64
to DDCI re
Enpl of Peace Corps
Personnel of
Agency Proprietary*

Re the Peace Corps: the attached memo pretty well covers what we know about the "non-contamination" policy and its basis. The General Counsel's office of the Peace Corps called here a few months ago in an effort to locate any official writing on the subject—they had none, just knowledge that the policy had been established. They are now working on a policy paper which would state, but not change, the rule; I understand their paper is for internal Peace Corps use.

We do not have a similar policy concerning any other organization.

We would not propose questioning the policy except as indicated in para. 4 of the memo.
